FATHER COLOMBO INSTITUTE OF MEDICAL SCIENCES

Father Colombo Institute of Medical Sciences, nestled in the historic city of Warangal, is where tradition meets modernity in the heart of North Telangana. Warangal, a city rich in cultural heritage, offers a unique atmosphere where its pleasant climate and vibrant cultural scene create an ideal environment for learning. The city is a hub of educational excellence, where diverse regional languages like Telugu, Urdu, and Hindi flourish, reflecting its rich and inclusive legacy.

It is easily accessible, with the Hyderabad Airport situated approximately 150 kilometers away. For those traveling by train, the city is well-connected, with Kazipet Railway Station just 13 kilometers from Father Colombo Institute of Medical Sciences (FCIMS) and Warangal Railway Station only 6 kilometers away.

Warangal is a hub for education and health, home to prestigious institutions like Kakatiya University, NIT Warangal, Kakatiya medical College, a respected institution with a 75-year legacy in medical education and Father Colombo Institute of Medical Sciences.

The Warangal Diocese has played a pivotal role in shaping the city's educational and health-care landscape. Over the decades, it has established numerous institutions, including Bishop Beretta School in the 1950s, Fathima Schools, St. Gabriel School, junior colleges, degree and PG colleges, a B.Ed. college, CJIT Engineering College, and many more. On the healthcare front, St. Ann's Hospital, a 100-bed facility founded in 1948, continues to serve the community with dedication. Additionally, Medicare General Hospital, established 20 years ago, remains a cornerstone of Warangal's healthcare system
